## Call for Papers

for oral and poster presentations at  
Finnish Remote Sensing Days, 17-19 January 2024

**Submit a max 2 page abstract at <https://spaceworkshop.fi> to propose your presentation to the largest Finnish remote sensing and space event. Abstract deadline is 24.10.2023. Accepted abstracts will be published.**

**All EO topics are welcome, with Special highlights on:**

- ✍ Earth system monitoring
- ✍ Climate change
- ✍ Polar and arctic remote sensing
- ✍ Forest remote sensing
- ✍ Atmospheric remote sensing
- ✍ Commercial solutions
