

# Finnish Remote Sensing Days 2012

are organized by Finnish Remote Sensing Club and hosted by the University of Helsinki on **October 25–26**.

## Call for abstracts

You are cordially invited to submit a short (one page) abstract for review by 31 August 2012. Detailed instructions and templates can be found at <http://www.kaukokartoituskerho.fi/2012>. Language of abstracts is English. Authors should also indicate their preference for oral or poster presentation. Language of presentations is Finnish or English. Presentation slides should be prepared in English.

### Highlighted topics:

- ESA Sentinel missions
- UAV applications
- Remote sensing of cryosphere
- Remote sensing of Arctic regions
- Remote sensing of land cover (and) change detection
- Forests: from single-tree laser scanning to global albedo
- New instruments and algorithms

Abstracts from all other areas are also welcome, as well as posters already presented at more specialized international meetings.

**Abstract submission** page will open in August.

**Venue:** Exactum, Kumpula campus, Helsinki

### Important dates:

Abstract submission: 31 August

Notification of acceptance: 30 September

Remote Sensing Days: 25–26 October

### Organizing committee:

- Matti Möttöus (University of Helsinki)
- Alfred Colpaert (University of Eastern Finland)
- Jaan Praks (Aalto University)
- Kari Luojus (FMI)
- Kirsikka Niemi (SYKE)
- Matias Takala (FMI)
- Miia Salminen (SYKE)
- Mika Karjalainen (FGI)
- Robin Berglund (VTT)
- Timo Kumpula (University of Eastern Finland)

Remote Sensing Days 2012 are arranged jointly with *Maantieteen päivät* (26–27 October) in Kumpula. A very good reason to come to Helsinki!
